IP LEAGUE 4.0

INVENTOR – INVESTOR MEET

April 26, 2025

About Event

Building on the successes of its predecessors, IP League 4.0 is a notable Inventor-Investor Meet that acts as a hub where innovative ideas and smart investment opportunities for inventions meet.

IP League 4.0 has been carefully designed specifically for exhibiting filed/patented inventions, acknowledging the critical role that patents play in protecting intellectual property and fostering innovation. This strategy guarantees the highest level of innovation and investment opportunities. The event is designed exclusively for investors and inventors to network, collaborate, and advance the monetization path.

Date: April 26, 2025

Time: 10:00 AM – 5:30 PM

Venue: The Suryaa, New Friends Colony, New Delhi – 110025

Event Highlights

Exclusive Access: A business entity based on granted or filed IP (filed/granted patent) will gain exclusive access to a precisely targeted group of investors who are actively seeking innovative ideas.

Pitch Sessions: Inventors have the chance to showcase their patented inventions to investors via organized pitch sessions, emphasizing the uniqueness, market viability, and scalability of their innovations.

Networking Opportunities: The event provides numerous networking options to interact, participate in conversations about possible partnerships, and explore investment opportunities that go beyond the pitch presentations.

Expert Perspectives: Observers receive insights from specialists regarding patent safeguarding, intellectual property tactics, current market developments, and investment opportunities across various sectors.

Collaboration Platform: Acting as a cooperative center, the event promotes the establishment of strategic alliances between inventors and investors, guidance via an expert jury panel, accelerating innovation, and aiding the commercialization of patented inventions.
