successful Deal

A team of experienced  
Attorneys and Certified  
Licensing Professionals

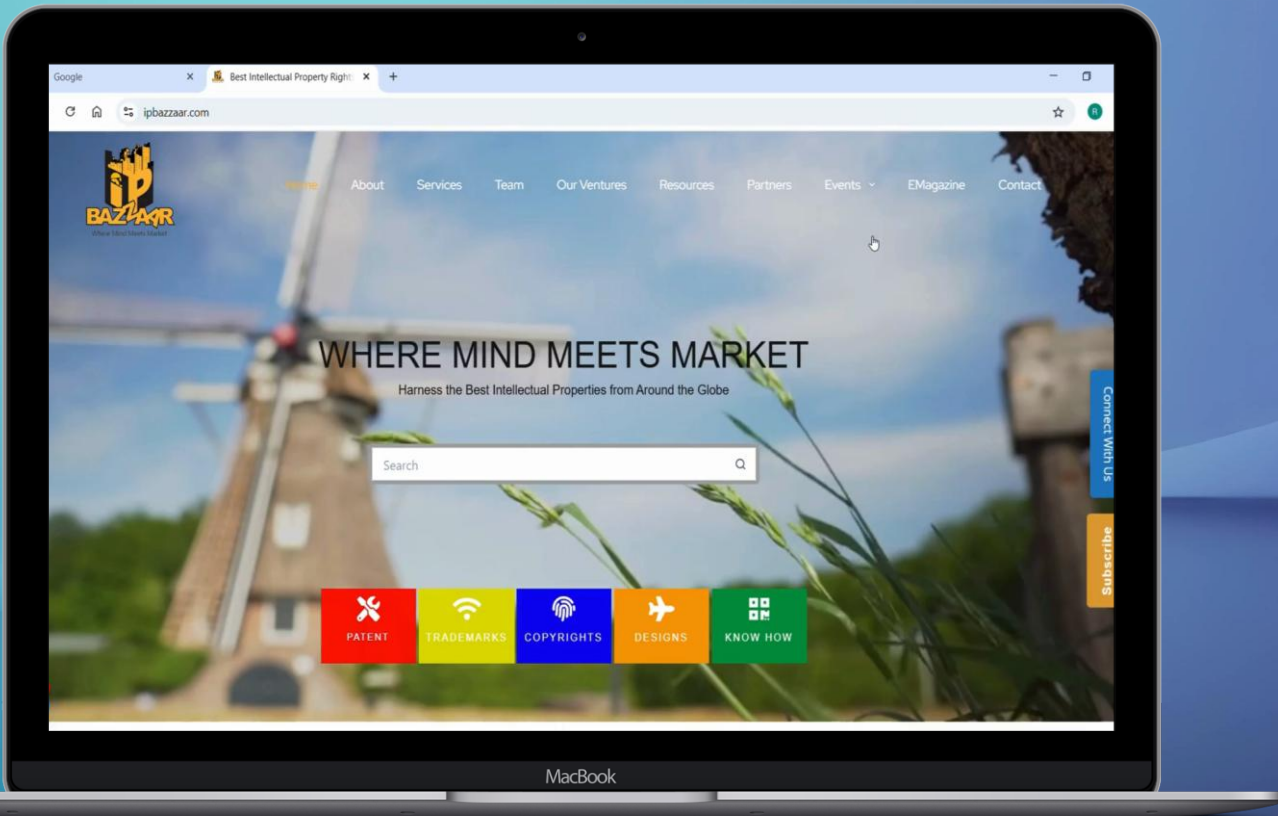

# WHO IS ELIGIBLE?

- Inventors with a business model based on a filed or granted patent
- Technology Readiness Level (TRL) should be at 4 or above
- A registered company with a dedicated team either in India or other country

# NOMINATIONS

- Fill out the Inventor Registration Form on the IPBazaar website
- Register and sign terms for pitch analysis and assistance
- An entry fee of INR 5,000/- or USD 100 will be charged

# PITCH SELECTION

The jury panel will select 6-7 technologies based on the following selection criteria:

1

# Technology Potential

Assessment based on the innovation level, scalability, and feasibility of the technology, ensuring it offers a competitive edge and is supported by a strong intellectual property foundation.

2

# 2

## Relevance

Evaluation based on technology's clear market need, alignment with industry trends, and potential to create meaningful social, economic, or environmental impact.

2

3

## Investment Probability

Assessment of viability of the business model, market size, financial projections, and the team's ability of execution, ensuring the invention presents a compelling and low-risk investment opportunity.

# Event Participation Fee and Inclusions

Selected inventors are required to pay a participation fee of ₹ 20,000/- or USD 300 on the event day, which includes the following exclusive benefits

## 20-Minute Presentation Slot
